## Food Craftmanship FC registration continues until 25th of August

We've already received a large number of entries and the competition has attracted a lot of interest from food entrepreneurs. To serve busy entrepreneurs, we have decided to extend the registration period by 10 days, with registration continuing until Sunday 25th August.

Food entrepreneur, now is the time to take this great opportunity and get involved! Participating gives you feedback on your product, more cleavage for you company and you will have many networking possibilities.

Please also remember that during the weekend there will be additional program that is free of charge and open for all of thos interested in local and clean food.

Competition classes, rules, entry forms and more information on the program can be found at [www.artesaaniruoka2019.fi/en](http://www.artesaaniruoka2019.fi/en)
